Indian News.

Washington, 20.—Secretary Lin-
coln transmitted to the Secretary of
the Interior the following telegram
from General Miles with a favorable
endorsement of its recommendations:Vancouver Barracks, W. T. 15.—
Agent General, Washington, D. C.
The Principal chiefs interested in
the Moses reservation started from
Spokane Falls and are now en route
to Washington under charge of
Captain Baldwin. I earnestly re-
quest that efforts be made to make
an amicable and permanent settle-
ment with these Indians while
in Washington. Not only
to satisfy them for the portion of
their reservation restored to the
public domain; but also, if possible,
to purchase their relinquishment of
the remainder of the Moses reserva-
tion. It is a second Black Hills,
and prospectors are already pressing
upon it and will soon give trouble
or endeavor to have another portion
taken from the Indians. I think it
would be advisable for government
to give the Indians \$150,000 for their
benefit and to induce them to take
land in severity on Colville re-
servation.

Great Land Suit.

Galveston, 20.—Times' Dallas special:
One of the most important
land suits ever entered in the Texas
courts has been filed by Geo. L. Russ
formally adjutant general of Indi-
ana, against Count Telfener of Italy,
president of the New York, Texas
and Mexican Railroad, and son-in-
law of "Bonanza Mackay." The
plaintiff claims he sold defendant
one and one-quarter million acres of
grazing lands in El Paso county,
at fifty cents an acre
to be paid for on November 15th,
1882, and that Telfener failed to
meet the obligation. Service has
been had on the defendant in New
York, the papers returnable for the
October term of the Texas county
district court. The purchase was
for the purpose of establishing a
gigantic stock ranch, in which sev-
eral European capitalists are con-
cerned with the intention of organ-
izing a line of steamers and supply-
ing to European markets with Texas
meats.

Train Wrecked.

Minneapolis, 20.—About 3 p. m.
the Chicago express on the Omaha
line when near East Minneapolis
ran over the track, owing to a mis-
laid switch. The entire train, con-
sisting of engine, baggage, three
passenger cars and sleeper were de-
railed. Engineer Wm. Harrington
Roberts of this city and baggage master
Robert of Elroy were instantly
killed, and a brakeman named
Sanderhart, was badly hurt. Roberts
has a wife and three children in
Elroy. It was the first trip of the
engineer over the road. The train
was running at the high rate of
forty miles an hour when the ac-
cident occurred. A few of the pas-
sengers were slightly injured.

The High License Law.

Chicago, 20.—The rush for saloon
licenses, under the new city ordi-
nance, in the order made by the
operation of the new state high
license law continued to-day. When
the clerk's office opened this morn-
ing a line of expectant dram sellers
extended through the hallway and
half a block along the street. Pre-
parations for speed were made,
however, and by noon the
jam was practically over and for the
remainder of the day was easily
taken care of. The result of two
days' work is the issuance of
3,000 licenses. There are about
4,000 saloon keepers in the city. It is
alleged that many notaries winked
at the glaring irregularities in fur-
nishing sureties.

Time Extended.

Pittsburg, 20.—Eighty-five per-
cent of the creditors of Graff, Ben-
nett & Co. held a meeting this after-
noon and decided to grant the firm
an extension of three years. The
statement made by one member
showed the liabilities of Graff, Ben-
nett & Co. to be \$1,282,752, and the
liabilities of the Grafton Iron Com-
pany, for which they are responsi-
ble, \$330,000. Their personal assets
are \$1,120,387, besides which they
have real estate worth \$2,000,000.

The Garrison Suit.

Chicago, 20.—In the suit of Peter
Marie and others, against Commo-
dore Garrison, to recover \$4,000,000,
Missouri Pacific Railroad Compa-
ny's stock, convened before Referee
General Clinton B. Fisk, former
treasurer of the road, testified that
the bonds were issued by the Mis-
souri Pacific road and improvement
bonds went into the treasury of the
Atlantic and Pacific road, to be used
as collateral for certain loans made
by the Atlantic and Pacific road.SHILOH'S CATARRH REM-
EDY—a positive cure for Catarrh,
Diphtheria and Canker Mouth. Sold

The Hathaway Case.

Philadelphia, 20.—The police, to-
day, found in the cellar of the dwell-
ing 2543, North 5th street, formerly
occupied by Dr. Isaac Hathaway,
the alleged abortionist, bodies of
several children and a large number
of human bones. Dr. Hathaway
was arrested in March, 1881, with
the Rev. Thos. B. Miller, for com-
mitting criminal malpractice upon
May Butler, a servant girl, whose
child died after the operation, both
were admitted to bail and Hath-
away fled; he however returned to
the city some time ago, but has
never been re-arrested on the charge.
Three months ago, his wife charged
him with assaulting her and threat-
ening her life. She asked to have
a warrant issued for his arrest, but
subsequently withdrew the charge.
She told the officials at
the time that her husband had
performed several criminal opera-
tions upon her and she knew he
had performed 100 others. Up to 4
o'clock this afternoon twenty-one
skulls or portions of skulls of in-
fants have been found buried in the
cellar of the dwelling. Dr. Hath-
away is now in the county prison,
charged with assaulting a relative.
The coroner lodged a detainer
at the prison against him.

Crook's Prisoners.

Washington, 20.—General Ruggles
telegraphed General Crook, as fol-
lows:

WHIFFLE BARRACKS ARIZONA.

I am directed by the Secretary of
War to advise you that the secre-
tary of the Interior informs me that he
cannot consent to receive your In-
dian prisoners at San Carlos Agency.
He says he will endeavor to take
care of the children, but in his opin-
ion the adults should be held pri-
soners of war and kept from contact
with the peaceable Indians of
Arizona. The Secretary directs
that the prisoners be kept apart by
you and fed on the appropriation
for the subsisting of Indian pri-
soners of war, until he shall receive full
reports from you, with any recom-
mendation you may have to make
on the subject, upon which the final
disposition of these Indians will be
determined.

Perjury Trial.

Nashville, 20.—Judge John E. Gar-
ner of this place was indicted at the
June term of the Robertson
County court for an attempt to com-
mit perjury and subornation of
witnesses in a lawsuit in which he
was leading counsel, being the
trial of Hopkins for the killing of
Dr. Nuckles, in which Hopkins
was acquitted on the grounds of de-
fense. The trial was most exciting
on account of the prominence of the
parties and the manner of the killing
and the verdict of acquittal and was
productive of much feeling. There
are several counts in the indict-
ment, one charging that Judge
Garner bribed witnesses to swear
falsely. Ben Boon, James Boon,
James Sutt, and Tim Dem-
ombren were indicted jointly
with Judge Garner. Judge Garner
is one of the commission of the re-
ference court created by the last leg-
islature to receive the Supreme
Court's overruled work. He is a
lawyer of high standing and has
served on the bench in other
positions of honor and trust.

Stamped.

Chicago, 20.—A report has just
reached here from the stock yards
that fifty Texas steers having be-
come frightened stampeded and are
now charging through the streets in
every direction throughout the
southern part of the city, all the
way from Ashland avenue to Lake
Michigan, a distance of over three
miles. They are said to be wild and
utterly uncontrollable and the citi-
zens are out all through the dis-
trict with guns and pistols shoot-
ing at them and adding to their
frenzy. Particulars are not yet ob-
tainable. But a report says a num-
ber of people were run over and more
or less injured; one person killed.

Gov. Butler.

Boston, 20.—The Governor has
ordered out the National Lancers
to escort him to and from the Har-
vard College commencement day.

Marriage.

Chattanooga, 20.—Emma Key,
eldest daughter of ex-Postmaster
Gen. Jay, was married, to-night, to
W. B. Thompson, superintendent
of railway mail service of the Uni-
ted States. The wedding was very
private.

One for Al. Patrick.

Omaha, 20.—In the United States
Court a verdict was rendered to-day
for about \$50,000 in favor of A. S.
Patrick, of Omaha, against Erwin
Davis, of New York, upon a con-
tract on the Flagstaff Mine, Utah.

Crime.

Little Rock, Ark., 20.—Four men
convicted of robbing the railroad
train and killing Conductor Cain
are to be hung Friday at Clarksville.
